# LBT-219: J2534 Reprogramming Fundamentals

Learn J2534 fundamentals and skills using several different reprogramming tools that can help you make money with Bob Pattengale. Bob wants you to prepare for the inevitable. More than 30% of the cars you are working on for drivability concerns can be likely be fixed with a reflash, meaning no parts are required. Learn to fix the car without replacing parts, its that simple.

This program is going to show you step by step procedures on not only how to perform the reflash but also what you need in order to get started. It is actually a very simple process that once mastered truly becomes an amazing investment.
